“The Family YMCA of Los Alamos was my savior for the year of 2020! With the assistance provided, I was able to access the gym facilities as I was recovering from a surgery. The assistance also helped me to send my child to the Y day camp, where he is having great fun, making friends and learning during these difficult times. I cannot thank the Y or the Y teachers enough! Ms. Ashley, Ms. Sarah, Ms. Alex and Mr. Bradley! Thank you!”
