with total awards of
\$64,300

120

Staff including
18 fulltime

121

Volunteers
gave 4700 hrs
of time

My son loves playing basketball and has been on many Y teams throughout the years. My son is now at the age where he can be a member at the Y and play basketball at the gym. The scholarship has allowed me to be able to afford to have a membership for him and I know that he is in a safe place doing what he loves doing. I appreciate the YMCA so much for all of this! -Parent of youth programs member
