

The Family YMCA After-School Program Contacts

Will your child be absent from the program today?

Please call the front desk staff at the Y at **505-662-3100**. They will take your information and let the after-school site staff know that your child will not be attending.

You can also text that information to the site phone for the program your child attends.

Do you need to get a non-urgent message to the staff at your child's after-school site?

You can email, call, or text the staff using the information below. Note that the site phones and emails are only monitored during the afterschool hours when the site is open. Messages sent after hours or late in the workday may not be seen until the next business day.
