Substance/Alcohol Abuse and Testing Policy

It is the policy of The Family YMCA to ensure a healthy and safe environment free from substance use/abuse within the programs, activities, and premises of the YMCA in accord with its mission statement to promote wellness in spirit, mind and body. The possession, use, manufacturing, or distribution of alcohol and illegal drugs and the illegal possession, use, or distribution of prescription drugs within the programs, activities and premises of The Family YMCA, and other facilities where YMCA programs are held, will not be tolerated. Illegal actions will be reported to the Los Alamos Police Department and to the offices of Drug Enforcement.

Off-the-job illegal drug activity or alcohol abuse could have an adverse effect on an employee's job performance and could jeopardize the safety of other employees, the public, association equipment, and the YMCA's relations with the public, and therefore, will not be tolerated. Under no circumstance should any of our employees possess, use, manufacture, or distribute illegal drugs outside of work hours. Under no circumstance should any of our employees be illegally using or illegally under the influence of alcohol. Employees who violate this policy are subject to disciplinary action, including dismissal.

Each individual associated with The Family YMCA will assume personal responsibility for her own actions. Anyone with knowledge of illegal possession, use, manufacturing, or distribution of illegal drugs or alcohol within YMCA programs, activities, and/or premises is to report the facts of the case to her supervisor, respecting the confidentiality of that communication.

A "zero tolerance" attitude will be enforced. Final decision as to actions taken based upon the facts of each individual case rests with the President of the Board of Directors and the Executive Director of The Family YMCA. Any employee may be requested to be tested for substance or alcohol abuse. Results of these tests will be shared with the appropriate YMCA staff and may be used to determine employment or continued employment .

Employees suspected of involvement in substance abuse will be placed upon suspension without pay until official determination of involvement has been completed. A positive determination will result in immediate termination of employment with forfeiture of all benefits prior to the suspension date. A negative determination will result in reinstatements at the same or equal position. If an employee is charged and awaiting trial for illegal activities, she will be placed on leave without pay until legal determination is completed.

Request for reemployment following drug rehabilitation will be considered on an individual basis with recommendation from the President of the Board of Directors and the Executive Director.
