Why give to The Family YMCA?

The Y is non-profit charitable organization serving Los Alamos and Española. One critical objective is to provide financial assistance for families who need child care but currently do not have the economic means. In 2018, over $110,000 was awarded in financial assistance for programs like camp, after school care and youth sports, as well membership so anyone can become healthier. And over $63,000 helped fund our Española Teen Center. Investing in youth and individual well-being is a gift that will last a lifetime.
